

Digital Portfolio

Student name:Sanjai.G

Register no:bruau2422k1182

NM ID:4D009CBC3D9E8F908D4DC7F5E3148DE

Department : ||-B.Sc(computer science)

College:Government arts and science college (co-ed),avinashi

PROJECT TITLE

Interactive Digital portfolio Using HTML, CSS
and Javascript

Problem Statement

In today's digital era, presenting skills, projects, and certifications in a modern and interactive way is essential. Traditional resumes lack interactivity and fail to demonstrate practical abilities. A responsive portfolio website bridges this gap by providing a professional online presence.

Project Overview

The project is a responsive portfolio website developed using HTML, CSS, and JavaScript. It showcases my academic details, skills, projects, certificates, and resume in a structured manner.

End Users

Recruiters & Hiring Managers

Peers & Collaborators

General Audience interested in my work

Tools and Technologies

Languages: HTML5, CSS3, JavaScript

Design: Responsive Layout (Flexbox, CSS Grid, Media Queries)

Enhancements: Animations, Scroll Effects, Hover Effects

Hosting (optional): GitHub Pages / Netlify / Vercel

Portfolio Design and Layout

Home – Profile image, name, and short introduction

About – Career summary and academic background

Skills – Display of technical skills

Projects – Showcase of completed works

Certificates – Achievements with proof images

Resume – Preview with option to view/download

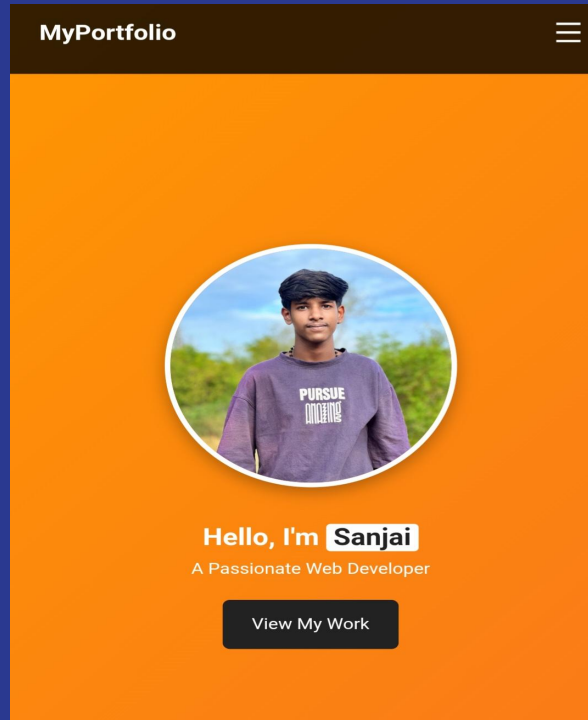

Contact – Communication form

Footer – Social links & copyright

Features and Functionality

- ✓ Mobile-friendly responsive design
- ✓ Smooth scroll animations
- ✓ Section-based navigation menu
- ✓ Resume preview and download option
- ✓ Certificates with proof images
- ✓ Contact form with confirmation alert
- ✓ Easy hosting for public access
